SPECIFICATION SHEET

# HDC170

## Heavy Duty Combination Sweeper Scrubber

## CLEANING FLOORS IN ONE SINGLE PASS

Leading the way in high performance battery powered cleaning equipment, the HDC170 combination sweeper scrubber is the next generation of floor cleaning machines delivering an exceptional cleaning result, every time. The HDC170 doubles productivity, halving cleaning time with one robust machine sweeping debris and providing a deep scrub in unison. Operating at a low 71dBA and with no harmful fuel emissions this machine good for the environment and ideal for cleaning indoor or highly populated areas.

MONEY BACK 60 DAY GUARANTEE · FAST FLEXIBLE FLEET HIRE | RENT | HIRE-TO-BUY · ZERO ZDP DOWNTIME PROGRAM · PARTS & LABOUR 4 YEAR WARRANTY

CONQUEST

# HDC170

The most powerful scrubbing machine and the most efficient sweeping machine.

## Technical Specifications

| HDC170 | | | |
|---|---|---|---|
| Cleaning Width | Up to 1200mm - 1700mm with double side brooms | Electronic Stability Control (ESC) | Yes |
| Solution/Recovery Tank Capacity | 300l/350l | Power Steering | Yes |
| Brush Pressure | 0-250kg | Water Tank Level Indicators | Yes |
| Power Supply | 36V wet cell - Lithium Ion option available | Automatic Filter Cleaner | Yes |
| Waste Hopper Bin Capacity | 90l with 1540mm high dump capability | Machine Dimensions | 2965 (L) x 1555 (W) x 1525 (H) mm |
| Noise Level | 71dBA | Weight | 2250kg |
| FWF Water Flow Control | Yes | | |

## Features & Benefits

### 1 ADVANCED BATTERY POWER SYSTEM

High-performance battery technology provides increased power with run times of up to 8 hours.

### 2 HIGH CLEANING PERFORMANCE

Delivers powerful cleaning with up to 250kg of adjustable down pressure and a large 350L recovery tank capacity.

### 3 INDUSTRIAL DRIVE CHAIN SYSTEM

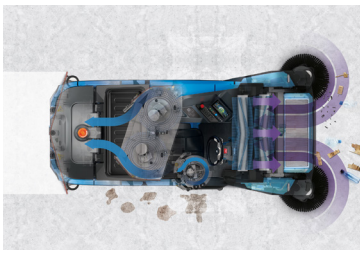
Provides strong climbing ability of up to 20% gradient, ideal for ramps and inclined surfaces.

### 4 REAR-WHEEL TRACTION DRIVE

Independent wheel motors deliver excellent manoeuvrability with a minimal turning radius.

### 5 HIGH-DUMP WASTE SYSTEM

Allows easy and efficient debris disposal while reducing operator effort.



### 6 COMBINATION SWEEPER-SCRUBBER SYSTEM

Sweeps, scrubs, and dries in one pass, delivering up to 30% higher productivity compared to conventional machines.
