SPECIFICATION SHEET

SDS85-D

Super Duty Ride-On Industrial Scrubber

PRODUCTIVITY & COMFORT

Providing 40% greater efficiency than a walk-behind scrubber, the SDS85 is a powerful solution to clean large areas with the utmost ease. Not only efficient, SDS85 is ideal for food grade applications and corrosive prone environments thanks to strong stainless steel components, including the scrub deck and parts of the exposed squeegee assembly. For a scrubber uniquely suited to the floor cleaning challenges of Industrial and Commercial spaces alike, look no further than the SDS85. It has it all

MONEY BACK 60 DAY GUARANTEE · FAST FLEXIBLE FLEET HIRE / RENT / HIRE-TO-BUY · ZERO ZDP DOWNTIME PROGRAM · PARTS & LABOUR 4 YEAR WARRANTY

CONQUEST

SDS85-D

The SDS85 ride-on floor scrubber delivers a unique combination of quality, efficiency and productivity.

Technical Specifications

SDS85-D			
Cleaning Width	864mm scrub path	Brush Pressure	0 – 91Kg
Solution/Recovery Tank	125L / 136L	Machine Dimensions	1626 (L) x 864 (W) x 1422 (H)mm
Scrub Head Motor	2 x 0.75HP	Weight	601Kg
Brush Speed	300RPM		

Features & Benefits

1 VACUUM MUFFLER SYSTEM

Reduces operating noise to 70dBA while effectively drying floors.

2 HEAVY-DUTY 7-GAUGE STAINLESS STEEL FRAME

Durable steel construction replaces traditional plastic frames to prevent warping or breakage.

3 STAINLESS STEEL COMPONENTS

Scrub deck and fasteners resist corrosion from chemicals and harsh operating environments, extending machine life.

4 36V BATTERY POWER SYSTEM

High-performance battery system delivers 50% more power than comparable machines.

5 MANAGER LOCK-OUT CONTROLS

Prevents unauthorised changes to solution flow and brush pressure settings.

6 TILT-BACK TANK DESIGN

Provides quick access to internal drive and working components for easy maintenance.

7 DISK OR CYLINDRICAL BRUSH OPTIONS

Available with disk (TD) or cylindrical (TC) brushes, allowing effective cleaning across smooth or rough surfaces.

8 INTEGRATED WASH DOWN SPRAY WAND

Allows operators to easily clean hard-to-reach areas.
