

MAXIMUM RESULTS, MINIMUM NOISE

HDS55

WALK-BEHIND POWER SCRUBBER

Sleek, smart and strong, the MHDS55 features innovative design, advanced technology and powerful scrubbing action to make swift work of the toughest cleaning challenges.

Versatile and efficient, the HDS55 achieves maximum results on both smooth and textured floor surfaces. With its highly effective scrubbing action the HDS55 has the ability to clean without detergents – great for reducing both your cleaning costs and impact on the environment.

Featuring quiet operation – an industry low 58Db – the powerful vacuum motor also dries floors in a single pass, so there's no risk of slips on the newly cleaned floor. Perfect for indoor floor scrubbing over medium sized areas, the HDS55 delivers on all fronts, giving you, the future of floor scrubbing today.
