

POWERFUL YET AGILE

HDS45

WALK-BEHIND POWER SCRUBBER

Bringing the efficacy and strength of a scrubbing machine to where it is most needed.

Combining the power of bigger scrubber machines with the agility of the smaller, the HDS45 is the perfect floor cleaning solution for small/medium spaces

Most suited to restricted areas within industrial environments where dirt is stubborn and cleaning requires power.

FEATURES

- The robust external body makes this machine ideal for small demanding environments in any industry.
- Featuring clever Eco Mode to maximise cleaning efficiencies while minimising water and power usage.
- Quiet operation making the HDS45 suitable for use in noise sensitive areas.
- Parabolic squeegee system consists of aluminum framing with long lasting, corrosion-resistant coating.
- Large wheels increase machine stability and maneuverability
- Ergonomical handlebars that can be adjusted in height and tilt for operator comfort
- Lithium-ion battery technology means a fast recharge when you want, where you want
- Touchscreen enables a quick and more intuitive user experience

SPECIFICATIONS	HDS45
Cleaning Width	430mm scrub path
Solution/Recover Tank Capacity	25L
Noise Level	65dB
Brush Speed	500RPM
Brush Pressure	40Kg
Power Supply	Lithium Ion
Battery Charger	Automatic battery charger
Weight	130kg
Machine Dimensions	895 (L) x 530 (W) x 1215 (H)mm
