

SDS50PC-0

Super Duty Oscillating Scrubber

LIGHT AND CONVENIENT

Saving up to 70% on labour costs versus traditional floor stripping methods and eliminating the need for chemicals, SDS50 is an investment that quickly pays for itself. The SDS50 features removable weights and large rear wheels that maintain contact with the ground reducing vibration and increasing operator control. Oscillating at 3450 rpm, the rectangular head removes sealer and polish, sands timber to perfection, and scrubs deep into the most difficult-to-clean textured floor surfaces.

SDS50PC-0

A revolutionary dry floor stripping machine, setting new industry standards.

Technical Specifications

SDS50PC-0			
Cleaning Width	75kg	Power Supply	69DbA
Drive Motor	1.5HP Heavy Duty, Direct Drive	Battery Charger	Up to 460m per hour
Scrub Deck Speed	3450RPM	Machine Dimension	480 (L) x 330 (W) x 1120 (H)mm
Noise Level	508mm	Weight	65.3Kg

Features & Benefits

1 HIGH-SPEED OSCILLATION SYSTEM

Delivers enhanced cutting and cleaning performance for demanding applications.

2 HEAVY-DUTY STAINLESS STEEL CONSTRUCTION

Durable build withstands harsh industrial and commercial environments.

3 STAINLESS STEEL SCRUB DECK

7-gauge corrosion-resistant deck ensures long-lasting performance and reliability.

4 STABILITY GUIDE WHEELS

Guide wheels maintain constant floor contact for improved stability during operation.

5 LOW VIBRATION OPERATION

Reduces operator fatigue while improving comfort and safety.

6 STANDARD POWER COMPATIBILITY

7 amp power draw allows use on standard 240V outlets for easy operation.

7 EDGE SCRUBBING PAD TECHNOLOGY

Specialist edge scrubbing pad enables effective chemical-free surface stripping.

8 RECTANGULAR PAD DESIGN

Allows cleaning into corners and along square edges for improved coverage.
