

# SDS55-0

## Super Duty Walk-Behind Oscillating Scrubber

### COMPACT YET POWERFUL

Compact and convenient, this powerful orbital scrubber gives nothing away in terms of performance.

The rapidly oscillating rectangular cleaning pad reaches right up to wall edges and all the way into corners, delivering powerful scrubbing that leaves nothing behind. Ideal for deep cleaning textures surfaces, SDS55 is ideal for removing stubborn stains, cleaning dirty grout lines or leaving non slip safety floors perfectly clean.

# SDS55-0

Tough, strong and reliable, SDS55 is a versatile, simple to operate and highly effective orbital floor scrubbing machine.

## Features & Benefits

### 1 HEAVY-DUTY STEEL CHASSIS

Robust powder-coated steel frame supports all working components for long-term durability.

### 2 VARIABLE SPEED TRACTION DRIVE

Delivers smooth, consistent operation with minimal operator effort.

### 3 AUTOMATIC BATTERY CHARGER

Stops charging when the battery is full, reducing the risk of battery damage.

### 4 LOW-NOISE OPERATION

Operates below 67 dBA, allowing use at any time, even in noise-sensitive environments.

### 5 COMPACT ACCESS DESIGN

Fits through standard doorways for easy access in confined spaces.

### 6 USER-FRIENDLY CONTROL SYSTEM

Clearly laid out controls with heavy-duty switches ensure simple and reliable operation.

### 7 OSCILLATING ORBITAL SCRUB HEAD

Provides deep cleaning performance on textured and uneven surfaces.

### 8 RECTANGULAR PAD DESIGN

Allows cleaning into corners and along square edges for improved coverage.
